CORPORATE OVERVIEW

Madam Logistix, LLC is an established Veteran and Woman owned small business with 13 plus years of government and civilian experience in logistics support management. We provide personalized transportation and logistics support services to shippers, carriers and government entities. We secure freight options by building sustainable relationships with commercial businesses, manufactures and federal, state and local entities that need to ship cargo across the United States. Our partnered carriers transport goods expeditiously from state-to-state and dock-to-dock. We are available around the clock to offer exceptional customer service to our business partners providing the following services:

- logistics support management to federal, state and local government entities;
- freight brokerage services to shippers;
- business-to-business dispatching services to carriers;
- schedule and negotiate freight rates on regular TL/LTL shipments, multi-lane shipments, specialized freight, rail freight, and small parcels;
- coordination and management of freight from pickup through delivery;
- manage issues associated with deliveries to meet customer needs;
- serve as personal assistants for filing paperwork, monitoring drivers progress, processing invoices; and
- ensure carrier compliance according to FMCSA and DOT regulations.

Our streamlined organization provides efficiency through clear, simple and effective process and lines of communication. For more information on how we support Federal, State, and Local contracts, please call Angel Jones, Government Sales Manager at (985) 503-0362.
