CORPORATE OVERVIEW

Madam Logistix, LLC is a proud Veteran-and-Woman-owned small business with more 15 years of combined experience in both government and commercial sectors. We specialize in transportation services and logistics support management, providing tailored solutions that align with agency mission requirements.

Leveraging strategic partnerships with commercial carriers, manufactures, and federal, state and local entities, we deliver reliable and cost-effective freight options. Our extensive carrier network enables the timely and efficient movement of goods across the United States, ensuring seamless coordination from origin to destination.

Available 24/7, our team is committed to delivering exceptional customer service and comprehensive support. Our core services include:

- Logistics support management to federal, state and local government agencies;
- Freight brokerage services to shippers;
- Business-to-business dispatch services for carriers;
- Freight rate negotiation and scheduling for TL/LTL shipments, multi-lane moves, specialized freight, rail freight, and small parcels;
- End-to-end freight coordination and oversight from pickup to delivery;
- Resolution management for delivery-related issues to ensure customer satisfaction;
- Administrative assistance including paperwork processing, driver monitoring, invoice handling, and regulatory compliance; and
- Ensuring carrier compliance with FMCSA and DOT regulations.

At Madam Logistix LLC, we are dedicated to building long-term, dependable relationships through integrity, responsiveness, and a deep understanding of our clients' logistics needs.
